This application has been filed by the respondents for modification of the order passed by us on 01.05.2023 in OA No. 1686/2022. It is pointed out that it may be observed in the order that the order passed is per in-curium and shall not be cited as a precedent. In our considered view, it is not necessary. We have already given reasons in our order as to why we are taking the step of passing the positive mandate in the facts and circumstances of the case and looking to the same, no further modification in the matter is required. The application is dismissed.
