ORDER
24.10.2018

1. These are two cases on Board fixed today for consideration of the Tribunal.

2. We in the start took up OA No.229/2017 relating to Lt Col Anil Sabhlok (Retd), who is seeking directions to the respondents to grant him disability pension for the diseases accepted in the Release Medical Board (RMB), i.e., forty per cent composite for the following two disabilities :

- (i) PRIMARY HYPERTENSION (401)
- (ii) DIABETES MELLITUS (TYPE-II) (250)

The applicant also seeks rounding of the composite disabilities of forty per cent to fifty per cent in terms of the letter dated 31st January, 2001, issued by the respondents.

3. During the course of arguments we were taken to RMB (Annexure A-2) consisting of four pages wherein the aforesaid two diseases have been shown to have occurred due to stress and strain of Military Service. According to Mr. Rajiv Manglik, learned for the applicant, it is the true copy of the RMB dated 20th May, 2003. However, while looking at RMB we noticed that two pages of the same are missing, viz. page No.2 and page No.3 respectively. In this regard we felt the necessity of looking at the original RMB proceedings brought by Lt Col Rupesh and Mr. Avinash Srivastava, Deputy Director, MPRS (O)/DGMS (Army). We find that the original RMB consists of six pages. Mr. Manglik states that the RMB (Annexure A-2) annexed with the OA was supplied to him by the applicant himself and that is the reason that he attached the same with the OA being true copy of the RMB.

4. Another fact which we have noticed on page No.2 of Annexure A-2 (Page 4 of Original RMB) is that under the initials of Commanding Officer, D. Sabhlok is written in pen ink whereas on page No.4 of the original RMB under the signatures of Commanding Officer Deepti Sabhlok is written. Why it is so, again creates a suspicion. Whereas the instant matter is shrouded under great suspicion, as is clear from our short orders passed while dealing with the instant matter, this fact also requires clarification from the applicant.

5. Another fact which we have noticed while perusing Medical Board proceedings available on record of the OA and from the original records produced before us, that the aforesaid two disabilities were noticed in August 2002. If we look at one of the columns of Part-1 filled by the applicant, it is mentioned August 2002 to till date, that means till the date of examination by the RMB. If the applicant had developed the aforesaid two disabilities in August 2002 for which he is now seeking disability pension and rounding off the same, a Medical Board must have been held immediately, may be in August 2002 itself for medically down grading the applicant. We felt the necessity of perusing the proceedings of the said Board and put a specific query to learned counsel for the respondents in this regard who, on instructions of Lt Col Rupesh, states that the said proceedings of the Medical Board are not in their possession today. Learned counsel seeks four weeks' time for producing the same. Granted. The respondents will also keep available with them the Policy Letter seeking disability pension by AMC officers on the next date of hearing.

6. We thus cannot proceed further till we peruse the Medical Board proceedings of August 2002 vis-à-vis the applicant; therefore consideration of the present case is deferred for four weeks, although the instant matter and the clubbed matter filed by his wife (Deepti Sabhlok) for the same relief have gone quite old and are on Board since year 2017.

7. List again on 14th November, 2018, as **PART HEARD**.

8. We, however, make it clear that the concerned officials will also bring the complete medical record relating to the applicant in

OA No.236/2017 on the next date of hearing so that consideration of the said case is not deferred for want of records.

9. As requested copy of this order be provided DASTI to learned counsel on both sides for compliance.
