This application has been filed under Section 14 of the Armed Forces Tribunal Act, 2007, for claiming removal of anomaly in pay fixation, proper fixation of pay and allowances and also to re-fix the pension of the applicant and other retiral benefits.

2. However, it is an admitted position now that the pay fixation of the applicant has been done, arrears of Rs. 85,227/- have also been paid to him and the entire anomaly in the pay has been removed. That being so, as far as prayers 8 (a) and (b) are concerned, they have been granted. Now based on the pay fixation, the pensionary benefits and post retiral benefits of the applicant are required to be revised.

3. Respondents are directed to do the same and grant the revised benefits to the applicant and the post retiral claims within a period of three months.

4. With the aforesaid, OA stands disposed of.
