ORDER

13.01.2022

After hearing arguments, the orders were reserved. However, it transpires that several MAs involving the same issue are pending and in other MAs we have observed that physical hearing is required and therefore, permission from Hon'ble Chairperson is required to be obtained. However, so far, the same has not been received. As such the matter is de-reserved and the same will be heard along with the other MAs as and when the same are listed.
