MA 4798/2023

In pursuance to the order passed on 08.05.2024, compliance report has been submitted by the respondents wherein it is indicated that the PPO has been issued and the compliance is done. However, both the counsel appearing for the applicant make a serious complaint to the fact that even though PPO issued, the benefit accruing to the applicant by virtue of the PPO has not been credited to the account of the applicant.

2. Notice issued to the bank has been replied by the bank indicating that now pension account of the applicant has been transferred to PCDA (SPARSH) and therefore, it is the PCDA Pension (SPARSH), Allahabad which is to dealt with the matter. Representative on behalf of SPARSH is present today and we have requested Gp Capt K.S. Bhati, leaned Sr. CGSC to assist us in

disposal of the matter as large no. of cases are coming where PPO has been issued but the benefit accruing to the applicant by virtue of the PPO is not been credited to his account on account of some technical difficulties in operation of SPARH account. It had been noted that in MA 4798/2023 instead of the fact that the PPO issued one year back amount has not been credited to the applicant as sought by the counsel for the applicant. Accordingly, we request Gp Capt K.S. Bhati, learned Sr. CGSC to seek instructions from PCDA (SPARSH) and inform us that what steps are taken for removing the technical defects in operating SPARSH and ensure that the benefits accruing by virtue of PPO is credited to the account of the applicant within reasonable time of 15-30 days of issuance of PPO.
