Mr. Praveen Kumar, learned counsel for the applicant states that in the initial application (M.A. No. 1092 of 2016) moved by him for condonation of delay, inadvertently the applicant is seeking condonation of delay of 1375 days; whereas the actual delay occurred is of 12259 days for which he has moved a separate application in the Registry somewhere in February 2017, vide Dy. No. 615/2017. He states that the Registry has perhaps not allotted the regular number to the M.A. The Registry to check and tag the said application, if not defective.
