(iii) To pass such orders, direction/directions as this Hon’ble Tribunal may deem fit and proper in accordance with law.”

2. The applicant was enrolled into the Indian Air Force on 05.11.1985 and discharged from service on 31.07.2022. The applicant was examined by a duly constituted RMB on 25.10.2021, which held his disability of Primary Hypertension @ 30% for life and it was held that the disability was neither attributable to nor aggravated by service. The applicant submits that for the purpose of Primary Hypertension, the disability has been assessed @ 30% as is evident from the medical records. The composite disability for the ailment has been assessed at 30% for life.

3. Keeping in view the consistent stand taken by this Tribunal based on the law laid down by the Hon'ble Supreme Court in the case of *Dharamvir Singh Vs. Union of India and others* [(2013) 7 SCC 316] that Primary Hypertension may arise even in a peace area due to stress and strain of service, we see no reason not to allow the prayer of the applicant with regard to the disability Primary Hypertension, which has been assessed by the competent Medical Board @ 30%.

4. The respondents are directed to grant disability element of pension for the disability of Primary Hypertension to the applicant @ 30% for life which be rounded off to 50% for life from the date of retirement, i.e., 31.07.2022, in terms of the

judicial pronouncement of the Hon'ble Supreme Court in the case of Union of India Vs. Ram Avtar (Civil Appeal No.418/2012) decided on 10.12.2014.

5. Accordingly, we allow this application holding that the applicant is entitled to disability element of pension @ 30% for the disability of Primary Hypertension rounded off to 50% for life and direct the respondents to calculate, sanction and issue necessary PPO to the applicant within four months from the date of receipt of copy of this order, failing which the applicant shall be entitled to interest @ 6% per annum till the date of payment.

6. No order as to costs.
