ORDER
06.03.2018

The grievance of the applicant is that his request for Review Medical Board has been rejected by the Ministry of Defence on the ground that the Review Medical Board has been sought in a highly belated manner.

2. In addition to this we have serious reservations as to whether the application is maintainable on account of which the applicant was getting disability pension which was stopped according to him abruptly in the year 2000 and was informed in 2016 when he made an application under RTI. He has not placed on record any documentary evidence of having approached any of the respondents to find out as to why his disability pension was discontinued.

3. Be that as it may, before any order is passed the applicant is directed to place on record the copies of the Release Medical Board

as well the representations which are purported to have made to Zila Sainik Board at the earliest. Let the needful be done within a period of four weeks.
