ORDER
29.11.2022

File has been put up before us today on a note submitted by the Registry with a noting that in this matter MA 1233/2016 was dismissed for non-prosecution. However, vide order dated 15.09.2022 due to mistake on the part of the applicant whereby he sought restoration of OA 298/2014, the same was allowed and OA was ordered to be restored to its

original number and position. In fact OA 298/2014 was not dismissed for non-prosecution, it was only MA which was dismissed.

That being so, order dated 15.09.2022 is to be read as “MA 1233/2016 along with CA 3/2017 were restored to its original number and position”.

MA 1233/2016

It is submitted by counsel for the respondents that the order dated 23.04.2018 has been complied with. However, the applicant was not satisfied with the same and he moved an application for correction in the PPO which is pending for consideration. It is further stated that reply has already been filed by the respondents.

To come up for consideration on **02.02.2023**.
