The applicant was examined by a duly constituted RMB on 09.05.2022, which held his disability of Primary Hypertension @ 30% for life while it was held that the disability was neither attributable to nor aggravated by service. The composite disability for the ailment has been assessed at 30% for life.

5. Keeping in view the consistent stand taken by this Tribunal based on the law laid down by the Hon'ble Supreme Court in the case of *Dharamvir Singh Vs. Union of India and others* [(2013) 7 SCC 316] that Primary Hypertension may arise even in a peace area due to stress and strain of service, we see no reason not to allow the prayer of the applicant with regard to the disability Primary

Hypertension, which has been assessed by the competent Medical Board @ 30%.

6. The respondents are directed to grant disability element of pension for the disability of Primary Hypertension to the applicant @ 30% for life which be rounded off to 50% for life from the date of retirement, i.e., 31.01.2023, in terms of the judicial pronouncement of the Hon'ble Supreme Court in the case of Union of India Vs.
