The matter was listed today and was allowed as it is a covered matter pertaining to grant of notional increment on retirement. However, on scrutiny of the details of the case, it is seen that the applicants herein have retired on 31st December, 2022 and have claimed that their annual increment date had been reset from 01st July, 2022 to 01st January, 2022.

In view of this, it is relevant to confirm and ascertain the methodology in which the applicants here were given their annual increment in the 7th CPC regime and the orders resetting their annual increment from July to January was implemented.

In view of the above, notice be issued to both the parties to place on record documents confirming the date of increment on transition to 7th CPC and subsequent change of increment date, if any.

List the matter again on **19.05.2023**.
