Respondents have issued the PPO bearing No. 601200201719. More than two months have passed and till date it is stated by Shri Manoj Gupta that the amount has not been credited to the applicant's account. In a large number of cases, even after issuance of PPO, the amount is not credited to the account of the applicant concerned and when a query is made, it is indicated that on account of some technical difficulty after transfer of the accounts from the bank account to the SPARSH account, the Department is facing difficulty. The same submissions have been made for more than one year.

Issue notice to R-3 and 4 for their appearance before this Tribunal personally on 22.08.2024 to explain as to why

action should not be taken against them for not taking steps to ensure that the amount indicated in the PPO be not transferred to the account of the beneficiary within a reasonable period of time, may be two weeks to three weeks.

List the matter on **22.08.2024**.
