ORDER

MA 3170/2024

This OA filed by the appellant claiming disability pension was heard and admitted for hearing on 14<sup>th</sup> July, 2023. Now by way of the present application the appellant wants early hearing of the matter. For the present disability cases for the period 2017 and 2018 are being heard and only in exceptional urgent matters early hearing is permissible. As far as the present OA is concerned, it is seen that the appellant invoked the jurisdiction of this Tribunal after a delay of more than 13862 days. Thus having slept over the matter for such a long time, the appellant cannot be permitted to jump over the queue and seek early hearing. The MA is accordingly dismissed.
