ORDER
27.08.2025

On perusal of the file, it has been observed that the copy of the RMB proceedings filed by the applicant along with the OA, at page 25 in Part-V (Opinion of the Medical Board), contains certain overwriting. Instead of "No", the word "Yes" has been written. However, the said copy does not bear any initials on this overwriting. The original RMB proceedings produced before us today, however, do contain initials on the said overwriting.

2. It is necessary for the respondents to clarify whether these initials were made subsequently by the authority concern after supplying the copy to the applicant, and they are also directed to verify and tally the signature with that of Lt Col Abhijit Singh (President Med Board).

3. The respondents are, therefore, directed to obtain clarification in this regard from the concerned officer, even if

retired, and further to produce the applicant's weight chart three years prior to the onset of the disease along with all previous medical records.

4. Re-list the matter on **30.09.2025** under the category of **By Court's Order**.

5. Let a copy of this order be provided *'DASTI'* to learned counsel for the parties.
