MA 3421/2023

Learned counsel for the respondents points out that there are certain errors in the order passed by this Tribunal in the matter of granting benefit to the applicant. The error has been detected by the respondents and they want to move an appropriate application for the same. It is surprising that the order was passed on 28th November, 2022 and it took more than one and a half year to find such an error. We have passed an order to comply with the directions within three months and instead of complying with the order they are seeking more time again and again. We grant two weeks' time to the respondents, as a matter of last indulgence, to take

whatever steps they want to. That apart we make it clear that the interest @8% shall be paid to the applicant payable from 28th November, 2022 in view of the peculiar facts and circumstances of this case.

2. List again on 5th August, 2024.
