OA 1708/2025

Considering the fact that only a Show Cause Notice (SCN) has been issued to the applicant and the reply filed by the applicant is pending consideration before the Competent Authority, at this stage, interference into the matter is not called for.

2. The Competent Authority is to consider the reply to the SCN, take a final decision and thereafter cause of action will accrue to the applicant to challenge the same. Therefore, at this stage, when the SCN is pending, interference into the matter is not called for.

3. With the aforesaid, the OA stands disposed of.
