Prima facie, after going through the file, this Tribunal had formed an opinion that not only the punishment of severe reprimand recorded in the service book of the applicant is highly excessive to the allegation for which it was imposed and the records prima facie indicate that the entire issue pertaining to the cause of action was managed to somehow keep denying promotional benefit to the applicant. On observations being made by this Tribunal, learned counsel for the respondents and the officers informed us that the matter is under consideration before the higher authorities and they pray for four weeks' time to inform as to what action has been taken. We adjourn the matter, as a

matter of last indulgence for four weeks. Thereafter, we shall proceed to decide the matter on merit.

List the matter on **20.09.2023**.
