For petitioner: Sh. T.N. Tripathi and Sh. Ranjeet Singh, Advocates.

CORAM:

HON'BLE MR. JUSTICE A.K. MATHUR, CHAIRPERSON.

ORDER
22.3.2011

Heard learned counsel for the petitioner.

After seeing the report given on 13th May 2009 in which the Department of Gastroenterology Base Hospital Delhi Cantt says that "Stomach: post GJ Status with few erosions on folds and near stroma. Duodenal bulb: normal. D2: normal. Both loops: normal" still the petitioner submits that he has problem and he is not fully cured. His disability pension was stopped in 1994 on finding that his disability has gone below 20%. Petitioner still feels that he is not normal. Therefore, if he makes a request for re-examination by the Medical Board on such request he may be re-examined and if his disability persists then his case may be dealt with accordingly.

With these observations, the petition is disposed of with no order ~~as~~ to costs.
