ORDER

12.02.2020

RA 63/2019

Vide this application, applicant seeks review of the order dated 13.09.2019 vide which the OA was disposed of granting the benefit of rounding off disability element to the applicant. However, so far as his request for Reassessment Medical Board, he was not granted this relief on the ground that the applicant has not responded to the letter sent by the respondents which reflected that he is not interested in Reassessment Medical Board.

It is pointed out by counsel for the applicant that when the OA was taken up on 15.05.2019, we had granted an opportunity to the applicant to move an appropriate application for Reassessment Medical Board within one month and thereafter, respondents were directed to process the matter. It is further pointed out that pursuant to this direction, the applicant did move an application on 20.05.2019 which was duly received on 24.05.2019. Receiving of this letter is not even denied by counsel for the respondents. It seems that while passing the order on 13.09.2019, this letter

escaped attention of the Tribunal which resulted in passing the order. That being so, the order dated 13.09.2019 is reviewed to the extent that the applicant shall report to the Registrar, Base Hospital on **27.04.2020 at 11 A.M.** Requisite formalities be completed by the respondents prior to the above date. Thereafter, the Reassessment Medical Board be conducted and report be submitted before the next date.

Copy of the order be given **dasti** to both the parties.

OA 805/2018

Relist on **17.08.2020.**
