For the averments made in this application, the same is allowed. The delay in filing the additional affidavit is condoned. The same is taken on record.

2. The MA stands disposed of.

MA 113/2021

Learned counsel for the respondents explained that as per the Release Medical Board out of the three disabilities two being held as NANA and hypertension has been held as aggravated by the military service. This disability at the time of original RMB has been assessed at 25% and now has been assessed and rounded off to 50%. The Review Medical Board

has been held after 30 years and they have deducted and hence it is now been held at 40%.

4. Learned counsel for the applicant says that it is his plea that this 50% which has been assessed by the RMB ought to have been rounded off to 75% and the same be granted to him.

5. Arguments heard.
