HON'BLE MR. JUSTICE RAJENDRA MENON, CHAIRPERSON  
HON'BLE LT GEN C.P. MOHANTY, MEMBER (A)

ORDER  
18.03.2024

Vide our detailed order of even date, we have allowed the main OA No.2487/2021. Faced with this situation, learned counsel for the respondents makes an oral prayer for grant of leave for impugning the order to the Hon'ble Supreme Court in terms of Section 31(1) of the Armed Forces Tribunal Act, 2007.

After hearing learned counsel for the respondents and going through our order, in our considered view, there appears to be no point of law much less any point of law of general public importance involved in the order, therefore prayer for grant of leave to appeal stands dismissed.

**ORDER**

**MA 2604/2021**

Keeping in view the averments made in the application and in the light of the decision in Union of India and others Vs. Tarsem Singh (2009(1) AISLJ 371), the delay in filing the OA is condoned. MA stands disposed of.

**OA 2487/2021**

2. Invoking the jurisdiction of this Tribunal under Section 14 of the Armed Forces Tribunal Act, 2007, the applicant filed this OA praying to direct the respondents to accept the disability of the applicant as attributable to/aggravated by military service and grant disability element of pension @20% rounded off to 50% with effect from the date of retirement of the applicant; along with all consequential benefits.

3. The applicant was enrolled in the Indian Air Force on 08.12.1979 and retired on 31.03.2018 after serving for 39 years and 114 days of qualifying service. The Release Medical Board dated 06.09.2018 held that the applicant was fit to be discharged from service in composite low medical category A4G3(P) for the disability - DIABETES MELLITUS Type II, E-10.0" @ 20% for life while the qualifying element for disability pension was recorded as NIL for life on account of disability being treated as neither attributable to nor aggravated by military service (NANA).

4. The claim of the applicant for grant of disability pension was rejected vide letter no. RO/3305/3/Med dated 11.02.2019 and the same was communicated to the applicant vide letter No. AirHQ/99798/1/624759/03/19/DAV(DP/RMB) dated 24.04.2019 stating that the aforesaid disability was considered as neither attributable to nor aggravated by military service. Against the said rejection, applicant preferred a first appeal dated 12.04.2021 which is under consideration. Aggrieved by the aforesaid rejection, the applicant has approached this Tribunal.

5. Placing reliance on the judgement of the Hon'ble Supreme Court in ***Dharamvir Singh v. UOI & Ors [2013 (7) SCC 36]***, Learned Counsel for applicant argues that no note of any disability

was recorded in the service documents of the applicant at the time of the entry into the service, and that he served in the Air Force at various places in different environmental and service conditions in his prolonged service, thereby, any disability at the time of his service is deemed to be attributable to or aggravated by Air Force service.

6. Per Contra, Learned Counsel for the Respondents submits that under the provisions of Rule 153 of the Pension Regulations for the Indian Air Force, 1961 (Part-I), the primary condition for the grant of disability pension is invalidation out of service on account of a disability which is attributable to or aggravated by Air Force service and is assessed @ 20% or more.

7. Relying on the aforesaid provision, Learned Counsel for respondents further submits that the aforesaid disability of the applicant was assessed as "neither attributable to nor aggravated" by Air Force service and not connected with the Air Force service. Thus, the applicant is not entitled for grant of disability pension due to policy constraints.

8. On the careful perusal of the materials available on record and also the submissions made on behalf of the parties, we are of the opinion that it is not in dispute that the extent of disability was assessed to be above 20% which is the bare minimum for grant of

disability pension in terms of Regulation 153 of the Pension Regulations for the Indian Air Force, 1961 (Part-I). Now, the only question that arises in the above backdrop is whether the disability suffered by the applicant was attributable to or aggravated by military service.

9. The issue of attributability of disease is no longer *res integra* in view of the verdict of the Hon'ble Apex Court in ***Dharamvir Singh v. Union of India (supra)***, wherein it is clearly spelt out that any disease contracted during service is presumed to be attributable to military service, if there is no record of any ailment at the time of enrollment into the military Service.

10. Furthermore, the issue regarding the attributability of Diabetes Mellitus has been settled by the ***Hon'ble Supreme Court in Commander Rakesh Pande v. Union of India (Civil Appeal No. 5970 of 2019)*** wherein the Apex Court has not only held that the Diabetes Mellitus is a disease which is of permanent nature and will entitle the applicant to disability pension, but also observed that in case where the disability is of permanent nature, the disability assessed by the Medical Board shall be treated for life and cannot be restricted for specific period.

11. Regarding broadbanding benefits, we find that the ***Hon'ble Supreme Court in its order dated 10.12.2014 in Union of India v.***

**Ram Avtar, Civil Appeal No. 418 of 2012** and connected cases, has observed that individuals similarly placed as the applicant are entitled to rounding off the disability element of pension. We also find that the Government of India vide its Letter No. F.No.3(11)2010-D (Pen/Legal) Pt V, Ministry of Defence dated 18th April 2016 has issued instructions for implementation of the Hon'ble Supreme Court order dated 10.12.2014 (supra).

12. Applying the above parameters to the case at hand, we are of the view that the applicant has been discharged from service in low medical category on account of medical disease/disability, the disability must be presumed to have arisen in the course of service which must, in the absence of any reason recorded by the Medical Board, or the applicant being overweight, be presumed to have been attributable to or aggravated by air force service.

13. Therefore, in view of our analysis, the OA is allowed and Respondents are directed to **grant benefit of disability element of pension compositely @ 20% for life** (for DIABETES MELLITUS, Type II, E-10.0" @ 20%, for life), **rounded off to 50% in** view of judgement of Hon'ble Apex Court in Union of India versus Ram Avtar (supra) from the date of discharge i.e. **31.03.2018**. However, the arrears shall be restricted to three years prior to the date of filing of OA which is **01.11.2021**. The arrears shall be

disbursed within four months of receipt of this order failing which it shall earn interest @ 6% p.a. till actual date of payment.

14. Consequently, the O.A. 2487/2021 is allowed.

15. No order as to costs.

16. Pending miscellaneous application, if any, stands closed.

Pronounced in the open Court on 18 day of March, 2024.
