(d) Any other relief which the Hon'ble Tribunal may deem fit and proper in the fact and circumstances of the case.

2. The applicant submits that for the purpose of Primary Hypertension, the disability has been assessed @ 30% as is evident from the medical records.

3. Keeping in view the consistent stand taken by this Tribunal based on the law laid down by the Hon'ble Supreme Court in the case of **Dharamvir Singh v. Union of India and others** (2013) 7 SCC 316 that Primary Hypertension may arise even in a peace area due to stress and strain of service, we see no reason not to allow the prayer of the applicant with regard to the disability Primary Hypertension, which has been assessed by the competent Medical Board @ 30%.

4. Accordingly, we allow this application holding that the applicant is entitled to disability element of pension @

30% rounded off to 50% with effect from the date of his discharge. All other claims stand rejected.

5. The respondents are directed to grant disability element of pension to the applicant @ 30% for life which be rounded off to 50% for life from the date of retirement in terms of the judicial pronouncement of the Hon'ble Supreme Court in the case of **Union of India Vs. Ram Avtar** (Civil Appeal No. 418/2012) decided on 10.12.2014. However, the arrears will be restricted to three years from the date of filing of this OA or the date of applicant's retirement/discharge, whichever is lesser, in keeping with the law laid down in the case of **Union of India and others Vs.
