HON'BLE MR. JUSTICE RAJENDRA MENON, CHAIRPERSON
HON'BLE REAR ADMIRAL DHIREN VIG, MEMBER (A)

ORDER

1. Invoking the jurisdiction of this Tribunal under Section 14 of the Armed Forces Tribunal Act, 2007, the applicant filed this OA praying to direct the respondents to accept the disabilities of the applicant as attributable to/aggravated by military service and grant disability pension with benefit of broad-banding with effect from the date of retirement along with all consequential benefits.

2. The applicant was enrolled in Indian Army on 30.03.2003 and retired on 31.05.2020. The Release Medical Board held that the applicant was fit to be discharged from service in low medical category for the disability- DIABETES MELLITUS Type II @ 20% for life. However, the qualifying element for disability pension was

recorded as NIL for life on account of disabilities being treated as neither attributable to nor aggravated by military service (NANA).

3. The claim of the applicant for grant of disability pension was rejected vide ASC Records (South) letter No. 14843586M/NS/DF dated 18.05.2020. Against this the applicant thereafter preferred first appeal dated 31.10.2021 which was rejected by the respondents vide letter dated 27.07.2022. The applicant has preferred his second appeal dated 06.09.2022 which was rejected by the respondents vide order dated 09.03.2023. Aggrieved by the aforesaid rejection, the applicant has approached this Tribunal.

4. Placing reliance on the judgement of the Hon'ble Supreme Court in *Dharamvir Singh v. UOI & Ors [2013 (7) SCC 36]*, Learned Counsel for the applicant argues that no note of any disability was recorded in the service documents of the applicant at the time of the entry into the service, and that he served in the Indian Navy at various places in different environmental and service conditions in his prolonged service, thereby, any disability at the time of his service is deemed to be attributable to or aggravated by military service.

5. Per Contra, Learned Counsel for the Respondents submits that under the provisions of the Pension Regulation 81 of the

Pension Regulations for the Army 2008 (Part-1), the primary condition for the grant of disability pension is assessed is invalidated out of service on account of a disability which is attributable to or aggravated by military service and is assessed @ 20% or more.

6. Relying on the aforesaid provision, Learned Counsel for respondents further submits that the aforesaid disabilities of the applicant were assessed as "neither attributable to nor aggravated" by naval service and not connected with the naval service and as such, his claim was rejected; thus, the applicant is not entitled for grant of disability pension due to policy constraints.

7. On the careful perusal of the materials available on record and also the submissions made on behalf of the parties, we are of the opinion that it is not in dispute that the extent of disability was assessed to be 20% which is the bare minimum for grant of disability pension in terms of the Pension Regulation 81 and 37 for the Pension Regulations for the Indian Army 2008 (Part I). The only question that arises in the above backdrop is whether disability suffered by the applicant was attributable to or aggravated by military service.

8. The issue of attributability of disease is no longer res integra in view of the verdict of the Hon'ble Apex Court in *Dharamvir Singh v. Union of India (supra)*, wherein it is clearly spelt out that any disease contracted during service is presumed to be attributable to military service, if there is no record of any ailment at the time of commission into the Military Service.

9. Furthermore, the issue regarding the attributability of Diabetes Mellitus has been settled by the *Hon'ble Supreme Court in Commander Rakesh Pande v. Union of India (Civil Appeal No. 5970 of 2019)* wherein the Apex Court has not only held that the Diabetes Mellitus is a disease which is of permanent nature and will entitle the applicant to disability pension, but also observed that in case where the disability is of permanent nature, the disability assessed by the Medical Board shall be treated for life and cannot be restricted for specific period.

10. Regarding broadbanding benefits, we find that the *Hon'ble Supreme Court in its order dated 10.12.2014 in Union of India v. Ram Avtar (Civil Appeal No. 418 of 2012)* and connected cases, has observed that individuals similarly placed as the applicant are entitled to rounding off the disability element of pension. We also find that the Government of India vide its Letter No.

F.No.3(11)2010-D (Pen/Legal) Pt V, Ministry of Defence dated 18th April 2016 has issued instructions for implementation of the Hon'ble Supreme Court order dated 10.12.2014 (supra).

11. Applying the above parameters to the case at hand, we are of the view that the applicant has been discharged from service in low medical category on account of medical disease/disability, the disability must be presumed to have arisen in the course of service which must, in the absence of any reason recorded by the Medical Board, be presumed to have been attributable to or aggravated by military service.

12. Therefore, in view of our analysis, the OA is allowed and Respondents are directed to *grant benefit of disability element of pension @ 20% for the disability of Diabetes Mellitus Type II for life rounded off to 50% for life in view of judgement of Hon'ble Apex Court in Union of India versus Ram Avtar (supra)* from the date of retirement i.e. 31.05.2020. The arrears shall be disbursed to the applicant within four months of receipt of this order failing which it shall earn interest @ 6% p.a. till the actual date of payment. However, the arrears will be restricted to three years from the date of filing of this OA or the date of applicant's retirement/discharge, whichever is lesser, in keeping

with the law laid down in the case of ***Union of India and others Vs. Tarsem Singh [2008 (8)SCC 649]***.

13. Consequently, the O.A. is allowed.

14. No order as to costs.

15. Pronounced in the open court on this 28th day of
March 2024.
