ORDER
17.12.2024

RA 47/2024

Seeking review/recall of an order passed by this Tribunal in OA 2697/2022 on 22.07.2024 in the matter of rejecting the prayer of the applicant for grant of disability pension for various reasons that are indicated therein. Applicant seeks review on the ground that the claim of the applicant has not been properly considered, he was not overweight and based on the medical records his claim has been improperly rejected.

2. Having considered the contentions canvassed in the review application and after taking note of the law laid down by the Hon'ble Supreme Court in the case of Sasi through Legal Representatives Vs. Aravindakashan Nair and others

(2017) 4 SCC 692, particularly, Para 18 of the said order, we find no error apparent on the face of record warranting reconsideration.

3. The review application is, therefore, dismissed.
