CORAM:

HON'BLE MS. JUSTICE ANU MALHOTRA, MEMBER(J)

HON'BLE REAR ADMIRAL DHIREN VIG, MEMBER (A)

ORDER

1. Invoking the jurisdiction of this Tribunal under Section 14 of the Armed Forces Tribunal Act, 2007 (hereinafter referred to as 'AFT Act'), the applicant has filed this OA and the reliefs claimed in Para 8 read as under:

"It is therefore humbly prayed that this Hon'ble Tribunal may graciously be pleased to: -

(a) Direct the respondents to put Invalid Medical Board proceedings on record.

(b) Quash the impugned letter No. 2819068/SR/PG-3 (DP) dated 22.02.2018.

(c) Direct the respondents to grant disability pension to the applicant duly rounded off to 50% w.e.f. his date of discharge.

OR

Direct the respondents to grant Invalid Pension to the applicant w.e.f. his date of discharge.

(d) Direct respondents to pay the due arrears of disability pension with interest @ 12% p.a. from the date of retirement with all the consequential benefits.

(e) Any other relief which the Hon'ble Tribunal may deem fit and proper in the fact and circumstances of the case along with cost of the application in favor of the applicant and against the respondents."

BRIEF FACTS

2. The applicant was enrolled in the Indian Army on 21.06.2017 and was invalided out from service under item IV of the table annexed to Rule 13 (3) of Army Rules 1954 due to the disease '**PSORIASIS VULGARIS**' on 17.10.2017 after having served around 03 months and 26 days of military service.

3. At the time of release, the applicant was suffering from the disability '**PSORIASIS VULGARIS**' assessed at @ 20% for life and recommended as Neither Attributable to Nor Aggravated (NANA) by the military service by the Invaliding Medical Board (IMB) vide AFMSF-16 dated 07.08.2017.

4. The applicant's initial claim for the grant of disability pension was rejected by the respondents vide letter No. 2819068/SR/PG-3(DP) dated 22.02.2018 in terms of Para 53 of the Pension Regulations for the Army ('PRA'), 2008 on the basis of the NANA finding by the IMB vide AFMSF-16 dated 07.08.2017.

5. The applicant submits that he thereafter preferred a first appeal vide letter dated 07.03.2018, against the rejection of the initial claim for the grant of disability pension, however, the respondents in the para-wise reply Para 4.4 of their counter affidavit filed on 20.08.2020 assert that no such appeal has been received by the respondents.

7. Aggrieved by the non-grant of the disability pension / invalid pension, the applicant has filed the instant OA. In the interest of justice, in accordance with Section 21(1) of the AFT Act, we take up the present OA for consideration.

CONTENTIONS OF THE PARTIES

8. Though the learned counsel for the applicant, through this OA, sought for the grant of the Disability Pension or Invalid Pension, however, during the course of hearing on 08.05.2025, the learned counsel for the applicant sought to

confine the prayer made in the OA for seeking the grant of invalid pension only. Thus, the present case is being considered qua the prayers for the grant of Invalid Pension only.

9. The learned counsel for the applicant submitted that the Applicant was enrolled in the Indian Army on 21.06.2017 and due to the disease/disability '**PSORIASIS VULGARIS**' caused during the service, was invalided out on being found 'medically unfit for further service in the Indian Army' on 17.10.2017.

10. The learned counsel for the applicant placed reliance on the judgment of the Hon'ble Supreme Court in the case of **Dharamvir Singh v. Union of India and Ors.** [2013 (7) SCC 36], to submit that the applicant was enrolled into military service after thorough medical examination and there was no note of any disability recorded in his service records, and therefore, any disability occurring during the period of his service is to be deemed to be attributable to or aggravated by military service.

11. The learned counsel for the applicant also placed reliance on the decision of the Hon'ble Apex Court in the

matter of Union of India & Ors. v. Angad Singh Titaria [AIR 2015 SC 1898] wherein it was held that, '*... petitioner found medically and physically fit at the time of joining service, he was diagnosed with some disease during the service, Deterioration in his health shall therefore be presumed to have been caused due to service in the light of Rule 5(b), Rule 4, 5, 9 and 14 of the Entitlement Rules, 1984 ...*'

12. The learned counsel for the applicant also placed reliance on the verdict of the Hon'ble Supreme Court in the case of Sukhvinder Singh Vs. Union of India (2014 STPL (WEB) 468 SC) decided on 25.06.2014, wherein it was observed as under:

"....

We are of the persuasion, therefore, that firstly, any disability not recorded at the time of recruitment must be presumed to have been caused subsequently and unless proved to the contrary to be a consequence of military service. The benefit of doubt is rightly extended in favour of the member of the Armed Forces; any other conclusion would be tantamount to granting a premium to the Recruitment Medical Board for their own

negligence. Secondly, the morale of the Armed Forces requires absolute and undiluted protection and if an injury leads to loss of service without any recompense, this morale would be severely undermined. Thirdly, there appears to be no provisions authorising the discharge or invaliding out of service where the disability is below twenty per cent and seems to us to be logically so. Fourthly, wherever a member of the Armed Forces is invalided out of service, it perforce has to be assumed that his disability was found to be above twenty per cent. Fifthly, as per the extant Rules/Regulations, a disability leading to invaliding out of service would attract the grant of fifty per cent disability pension.

....”

13. *Per contra*, the learned counsel for the respondents submitted that since the disability of the applicant is recommended as NANA by the military service, the applicant is not entitled for the grant of disability pension in view of Para 53 (a) of the Pension Regulations for the Army (Part-1) 2008 (hereinafter ‘PRA’). Para 53 of the PRA 2008 reads to the effect:

“53. (a) An individual released/retired/discharged on completion of term of engagement or on completion of service limits or on attaining the

prescribed age (irrespective of his period of engagement), if found suffering from a disability attributable to or aggravated by military service and so recorded by Release Medical Board, may be granted disability element in addition to service pension or service gratuity from the date of retirement/discharge, if the accepted degree of disability is assessed at 20 percent or more.

However, in the instant case, the disability suffered by the applicant i.e., **'PSORIASIS VULGARIS'** was considered as neither attributable to nor aggravated (NANA) by military service and thus, the applicant will not be entitled for disability pension.

14. The learned counsel for the respondents placed reliance on the judgment of the Hon'ble Supreme Court dated 20.08.2009 in Civil Appeal No. 5678/2009 arising out of SLP (C) 23727/2008 filed by the **Secretary, Ministry of Defence & Others v. Late Sep Damodaran AV**, where in the Hon'ble Supreme Court held that the Medical Board is an expert body and its opinion is entitled to be given due weight, value and credence.

ANALYSIS

15. On the careful perusal of the material available on record and also the submissions made on behalf of the parties, we are of the view that it is not in dispute that the applicant was invalided out from service on medical grounds with the disability '**PSORIASIS VULGARIS**' before completion of terms of engagement after having served around 03 months and 26 days in the military service which was assessed by the IMB vide AFMSF-16 dated 07.08.2017 assessed at @ 20% for life, which in our view is deemed invaliding from service.

16. Lest it be contended that the applicant being invalided out after serving around 03 months and 26 days, however may not be eligible for getting the invalid pension as per Rule 59 of the Pension Regulation for the Army, 2008 (Part-1), which reads as under:

“ 59. The minimum period of qualifying service actually rendered and required for invalid pension is 10 years or more. For less than 10 years’ qualifying service, invalid gratuity shall be admissible.”

it is apposite to advert to the order of the Armed Forces Tribunal (Regional Bench) Lucknow in **Ex. Recruit. Chhote**

Lal Vs. Union of India & Ors. in OA No.368 of 2021,
wherein the MoD letter No. 12(06)/2019/D(Pen-Pol) dated
16.07.2020 has been examined in detail. The said MoD letter
is reproduced below:

**“Subject: Provision of Invalid Pension to
Armed Forces Personnel before completion of
10 years of qualifying service- Reg.**

Sir,

**1. Government of India, Ministry of
Personnel, Public Grievances & pensions,
Department of Pension & Pensioners,
Welfare vide their O.M 21/01/2016-P&PW(F)
dated 12th February 2019 has provided
that a government servant, who retires from
service on account of any bodily or mental
infirmity which permanently incapacitates
him from the service before completing
qualifying service of ten years, may also be
granted invalid pension subject to certain
conditions. The provisions have been based
on Government of India, Gazette Notification
No. 21/1/2016- P&PW(F) dated 04.01.2019.**

**2. The Proposal to extend the provisions
of Department of Pension & Pensioners
Welfare O.M No. 21/01/2016 -P&OW(F) dated
12.02.2019 to Armed Forces personnel has**

been under consideration of this Ministry. The undersigned is directed to state that invalid Pension would henceforth also be admissible to Armed Forces Personnel with less than 10 years of qualifying service in cases where personnel are invalided out of service on account of any bodily or mental infirmity which is Neither Attributable to Nor Aggravated by Military Service and which permanently incapacities them from military service as well as civil reemployment.

3. Pension Regulation of the Services will be amended in due course.

4. The provision of this letter shall apply to those Armed Forces Personnel were / are in service on or after 04.01.2019. The Cases in respect of personnel who were invalided out from service before 04.01.2019 will not be re-opened.

5. All other terms and conditions shall remain unchanged.

The AFT, Regional Bench, Lucknow Bench while disposing off the OA No. 368 of 2021 has examined Para 4 of the MoD letter dated 16.07.2020 and has held the said Para 4 of the letter as unconstitutional on the grounds that:

“ 20...

letter dated 16.07.2020 fails to meet the aforesaid twin test. The letter arbitrarily denies the benefit of invalid pension to those armed forces personnel, who happened to be invalided out from service prior to 04.01.2020. There cannot be any difference on the ground of invalidment as both in the cases of personnel invalided out before and after 04.01.2020, they faced the similar consequences. In fact, the persons who have retired prior to 04.01.2020 have faced more difficulties as compared to the persons invalided out on or after 04.01.2020. The longer period of suffering cannot be a ground to deny the benefit by way of a policy, which is supposed to be beneficial. Such a provision amounts to adding salt to injury.

21. ...

22. As per policy letter of Govt. of India, Ministry of Def dated 16.07.2020, there is a cut of date for grant of invalid pension. As per para 4 of policy letter, “provision of this letter shall apply to those Armed Forces Personnel who were/ are in service on or after 04.01.2019”. Para 4 of impugned policy letter dated 16.07.2020 is thus liable to be quashed being against principles of natural justice as

such discrimination has been held to be ultra vires by the Hon'ble Apex Court because the introduction of such cut of date fails the test of reasonableness of classification prescribed by the Hon'ble Apex Court viz (i) that the classification must be founded on an intelligible differentia which distinguishes persons or things that are grouped together from those that are left out of the group; and (ii) that differentia must have a rational relation to the objects sought to be achieved by the statute in question.

23. From the foregoing discussions, it may be concluded that the policy pertaining to invalid pension vide letter date 16.07.2020 will be applicable in the case of the applicant also as para 4 of the letter cannot discriminate against the petitioner based on a cut of date.

.....”

17. Significantly vide judgment dated 07.01.2025 of the Hon'ble Division Bench of the High Court of Punjab and Haryana in CWP 28442/2023 in ***Union of India & Ors. v. No. 8994857B Ex. AC UT Sandeep Kumar and Anr.*** the cut-off date of 04.01.2019 for grant of invalid pension only to those who ***'were/are in service on or after 04.01.2019'*** vide the MOD letter dated 16.07.2020 bearing reference no.

12(06)/2019/D(Pen/Pol) has been observed to be arbitrary not being based on any intelligible differentia with no nexus to the objects thereto, as observed under Para 14 of the said judgment which reads to the effect: -

***“14. Conspicuously also when the prescription as made in Annexure P-4, contents whereof become extracted hereinafter, thus on plain reading thereof, after making relaxations in the period of rendition of service, yet makes a cut-off date, vis-a-vis, the applications thereof. However, the prescriptions therein vis-a-vis the apposite cut-off date for the benefits thereof becoming assigned to the concerned, but also is rather arbitrary. The reason for so concluding stems from the factum that since the soldier qua whom the benefits of Annexure P-4, become purveyed when do constitute a homogeneous in-segregable class. Resultantly each member of the homogeneous class was to be co equally endowed the benefits of Annexure P-4. Therefore, the segregations created through Annexure P-4, thus amongst the same class, rather through the makings therein of a cut-off date, and that too when the said cut-off date, is not based on any intelligible differentia nor when it has any nexus with the beneficent thereto objects, but are required to be discountenanced.*”**

“4. The provision of this letter shall apply to those Armed Forces Personnel who were/are in service on or after 04.01.2019. The cases in respect of personnel who were invalided out from service before 04.01.2019 will not be re-opened.”

18. To this effect, it is essential to refer to para 27 of the order of this Tribunal in **Lt. A.K. Thapa v. Union of India & Ors. in OA 2240/2019**, Para 27 of which reads as under:-

“...

27. In view of the law laid down by the Hon'ble Supreme Court in **Sukhvinder Singh v. Union of India (2014 STPL (WEB) 468 decided on 25.06.2014 (Supra)** and in **Balbir Singh (Supra)** on invalidment, the personnel of the Armed Forces who is invalided out is presumed to have been so invalided out with a minimum of twenty percent disability which in terms of the verdict in **Sukhvinder Singh (Supra)** is to be broad-banded to 50% for life, the incorporation by the respondents vide the MoD letter dated 16.07.2020 of a term of **a necessary permanent incapacity for civil re-**

employment, is an apparent overreach on the verdict of the Hon'ble Supreme Court in **Sukhvinder Singh (Supra)**. Furthermore, the said clause of a requirement of an Armed Forces Personnel to be permanently incapacitated from Military service as well as Civil re-employment is wholly vague and arbitrary and does not take into account the extent of incapacity for Civil reemployment. This is so for the personnel of the Armed Forces who is invalided out with all limbs incapacitated may still have a functional brain and functional voice, may be able to speak, sing, paint and earn a livelihood. The utilization of the words 'permanently incapacitates from civil re-employment, apparently requires a permanent brain-dead armed forces personnel. We thus hold that the requirement of the Armed Forces Personnel 'to be permanently incapacitated from civilian employment as well' (apart from permanent incapacitation from military service) for the grant of invalid pension in terms of the MoD letter No. 12(06) /2019 /D (Pen/Pol) dated 16.07.2020 to be wholly arbitrary and

unconstitutional and violative of Article 14 of the Constitution of India which is in Part-III of the Fundamental Rights with the sub heading thereto of 'Right to Equality', and lays down to the effect:-

"14. Equality before law - The State shall not deny to any person equality before the law or the equal protection of the laws within the territory of India.

Article 21 of the Constitution of India lays down to the effect: -

"21. Protection of life and personal liberty - No person shall be deprived of his life or personal liberty except according to procedure established by law."

19. It is essential to observe that, the Hon'ble Delhi High Court vide judgment dated 26.11.2024 in **W.P.(C) 13577/2024** titled ***Lt. A K Thappa vs. Union of India and Ors.***, in the matter of **NO 40634Z LT A K THAPA (RELEASED) v. UNION OF INDIA & ORS.**, arising out of the decision of this Tribunal in **OA No. No. 2240 of 2019** has upheld the decision of this Tribunal, for the grant of invalid pension to the applicant, vide Paras 25 and 29 of the

Judgment. Paras 25 and 29 of the said judgment respectively read as follows:

“25. The learned AFT also referred to the answers provided by the Commanding Officer of INS Virbahu, Visakhapatnam on 21.09.1982 and found that since 10.02.1982, the petitioner had been performing ‘Sedentary Duties Ashore’ and he was not assigned to a submarine or sailing duties. The learned AFT took note of responses of the said Commanding Officer, stating that petitioner’s disability was neither attributable to nor aggravated by service. It also noted the response of IMB proceedings of March, 1982, that the petitioner’s disability existed before entering the service, thus referring to all of the above, the learned AFT concluded that petitioner’s disability cannot be held to be attributable to nor aggravated by Military service in the peculiar facts and circumstances of the case. The learned AFT, thus, passed a detailed and reasoned Order after noting all the submissions of the parties, the decisions cited before it, as well as the documents produced for its perusal and consequently, granted Invalid Pension to the petitioner, however, not the Disability element of Pension.”

“29. In light of these circumstances, we are constrained to hold that there is no infirmity in the Impugned Order passed by the learned AFT and it would not be appropriate for this Court to interfere with the order passed by it, specifically when the order passed is well reasoned.”

20. Furthermore, vide judgment **dated 11.12.2024** of the Hon'ble High Court of Delhi, W.P. (C) 17139/2024, filed by the Union of India, to assail the **order dated 07.07.2023 in OA 2240/2019 in Lt. AK Thapa (Released) v. Union of India and Ors.** has been dismissed, in view of leave to appeal having been granted by this Tribunal vide order dated 17.05.2024 in OA 1721/2024 with MA No. 34608-4609/2023 to assail the order dated 07.07.2023 in OA 2240/2019. The observations in Para 6-11 of the verdict of the Hon'ble HC of Delhi in W.P. (C) 17139/2024 are to the effect: -

“6. On the other hand, the learned counsel for the respondent, who appears on advance notice, submits that by an Order dated 17.05.2024 passed in M.A. 1721/2024 with M.A Nos. 4608-4609/2023 passed in the above OA by the learned AFT, leave has been granted to the petitioners to assail the Order dated 07.07.2023 passed in the above OA before the Supreme Court.

7. Placing reliance on Section 31(3) of the Armed Forces Tribunal Act, 2007 (in short, „AFT Act“), he submits that once leave is granted, the appeal is deemed to be pending before the Supreme Court. He submits that; therefore, this Court should not exercise its powers under

Article 226 of the Constitution of India to examine the plea raised by the petitioners.

8. We have considered the submissions made by the learned counsels for the parties.

9. Section 31 of the AFT Act reads as under: -

“31. Leave to appeal.— (1) An appeal to the Supreme Court shall lie with the leave of the Tribunal; and such leave shall not be granted unless it is certified by the Tribunal that a point of law of general public importance is involved in the decision, or it appears to the Supreme Court that the point is one which ought to be considered by that Court.

(2) An application to the Tribunal for leave to appeal to the Supreme Court shall be made within a period of thirty days beginning with the date of the decision of the Tribunal and an application to the Supreme Court for leave shall be made within a period of thirty days beginning with the date on which the application for leave is refused by the Tribunal.

(3) An appeal shall be treated as pending until any application for leave to appeal is disposed of and if leave to appeal is granted, until the appeal is disposed of; and an application for leave to appeal shall be treated as disposed of at the expiration of the time within which it might have been made, but it is not made within that time.

10. Sub Section (3) of Section 31 of the AFT Act, creates a deeming fiction providing that if the leave to appeal is granted by the learned AFT, until the appeal is disposed of, such appeal shall be treated to be pending before the Supreme Court.

11. In the present case, the effect of the Order dated 17.05.2024 passed by the learned AFT, therefore, shall be that the appeal filed by the petitioners to challenge the Order dated 07.07.2023 is pending before the Supreme Court. There cannot be two alternate remedies simultaneously taken by the petitioners to challenge the same order.”

The respondents have filed SLP (Civil) bearing diary no. 38701/2025 in the Hon'ble Supreme Court assailing the order dated 07.07.2023 in OA 2240/2019, however, there is no stay granted so far by the Hon'ble Supreme Court of the operation of the order dated 07.07.2023 in OA 2240/2019 of the Tribunal, in **Lt. AK Thapa (Released) (Supra)**.

21. It is furthermore significant to observe that the Hon'ble High Court of Delhi vide the Order dated 07.07.2025 in W.P. (C) 8183/2025 in the case of **UOI v. Ex Rect. Fateh Singh** whilst dismissing the said petitions vide Paras 13 to 18 thereof has observed to this effect: -

“13. As it transpires, para 4 of the letter dated 16 July 2020 stands struck down as unconstitutional by a judgment of the Lucknow Bench of the AFT in Ex. Recruit Chhote Lal v UOI.

14. Mr. Kumar submits that an SLP has been preferred in the Supreme Court against the said

decision. However, it appears that no interim order has been passed in the said case till date.

15. As on date, therefore, para 4 of the letter dated 16 July 2020 stands struck down.

16. In that view of the matter, no exception can be taken to the impugned order passed by the AFT, holding the respondent to be entitled to invalid pension.

17. We, therefore, are not inclined to interfere in the present writ petition, least of all in the limited exercise of our jurisdiction under Article 226 of the Constitution of India.

18. The writ petition is accordingly dismissed in limine.”

Thus, as observed vide the Order of the Hon'ble High Court of Delhi, it has been clearly observed thereby that Para 4 of the letter dated 16.07.2020 stands struck down as on the said date.

CONCLUSION

22. We find no reason to differ from the law laid down in **Chhote Lal (supra)** and in **A.K. Thapa (supra)**, and we are therefore of the considered view that the applicant has to be deemed to be invalided out of service on account of the disability of '**PSORIASIS VULGARIS**' as the applicant had rendered around 03 months and 26 days of service and was

invalided out before completing his term of initial engagement. Thus, the applicant is held entitled to the grant of invalid pension.

23. The respondents are thus directed to calculate, sanction and issue the necessary PPO to the applicant within a period of three months from the date of receipt of copy of this order and the amount of arrears shall be restricted to commence to run from a period of 03 (three) years prior to the date of filing of the present OA i.e., 09.12.2019, and shall be paid by the respondents, failing which the applicant shall be entitled for interest @ 6% p.a. from the date of receipt of copy of the order by the respondents.

24. Consequently, Miscellaneous Application(s), if any, stand disposed off accordingly.

Pronounced in the open Court on this 30th day of October, 2025.
