This application has been filed for early hearing of OA 1884/2022. The applicant has claimed for disability pension for the disability (i) Bilateral Sensorineural Hearing Loss and (ii) CAD STE IWMI SVD PCI TO RCA (1X DES) with normal LV function. Learned counsel for the applicant submits that the second ailment, i.e., CAD is attributable to military service as is evident from the counter affidavit filed by the respondents and therefore for the present he is only pressing his claim for CAD being attributable to military service.
